NOTES:

- 1.) Monumentation is as shown and designated on the face of the plat.
- 2.) Boundary based on monumentation found in place, instruction by client, and prior survey and subdivision by Bailey, Bishop & Lane.
- 3.) Bearings projected from the West property line and based on above referenced prior survey and subdivision by Bailey, Bishop & Lane.
- 4.) Interior improvements shown were located by field ties.
- 5.) Underground encroachments, if present, were not located with this survey.
- 6.) This survey was made without benefit of a title search. There may be additional easements, restrictions, etc. not shown hereon but found in the Public Records. Issues regarding title, land use & zoning, easements & other encumbrances are not a part of the scope of a Boundary Survey and can only be revealed with a title search.
- 7.) Date of field survey completion: June 7, 2021.
Date of plat drawing: June 15, 2021.
- 8.) Examination of the Flood Insurance Rate Maps (FIRM) for Columbia County shows that, per said maps, the described parcel lies within Flood Zone "X", which according to said maps is outside of the 0.2% chance floodplain (ref: Map No. 12023C0381D).
- 9.) Survey closure precision exceeds the requirements of the Minimum Technical Standards for Land Surveying in Florida.
- 10.) Preliminary approval: Not Applicable
- 11.) Water Supply and Sewerage disposal to be provided by individual lot owners, subject to County approval.

NOTICE: This Plat as recorded in its graphic form, is the official depiction of the subdivided lands described herein and will in no circumstances be supplanted in authority by any other graphic or digital form of the Plat. There may be additional restrictions that are not recorded on this Plat that may be found in the Public Records of this County.

NOTICE: All Platted utility easements shall provide that such easements shall also be easements for the construction, installation, maintenance, and operation of cable television services; provided however, no such construction, installation, maintenance, and operation of cable television services shall interfere with the facilities and services of electric, telephone, gas, or other public utility. In the event that a cable television company damages the facilities of a public utility, it shall be solely responsible for the damages.
